

Enriching & Empowering EVERYDAY

Dear Friends,
"See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland". – Isaiah 43:19

Although our world often feels like a "wilderness", God is doing new things at Wesley Glen! The people we serve are thriving as we expand our programs and services. The following pages highlight but a glimpse of what's happening at Wesley Glen!

Sincerely,

A handwritten signature in black ink that reads "Cameron Bishop".

Cameron Bishop

We have reached our **capacity** to serve.

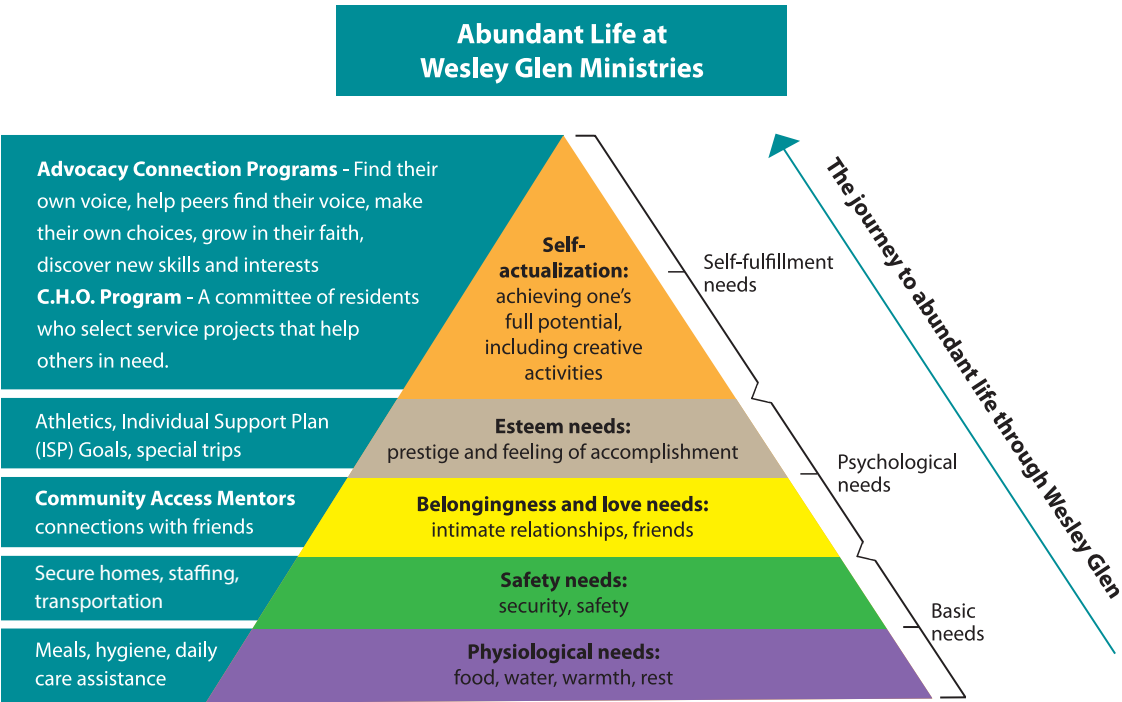

The Solution

Our **new strategic plan** will launch **new programming opportunities** for more people!

We will have more capacity to **serve more adults** with **Intellectual and Developmental Disabilities** in new places.

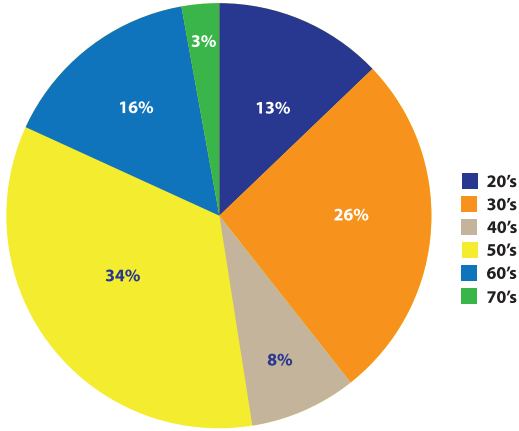

WESLEY GLEN EXISTS...

- To serve each person with Intellectual and Developmental Disabilities (IDD) well
